

Submission requirements

After commenting on one full draft, the next version of the essay that the supervisor sees must be the final one submitted to them before the *viva voce*. This version of the extended essay must be clean; in other words, it must not contain any comments from the supervisor or any other person. Once this version has been submitted to the supervisor and discussed, students are not permitted to make any further changes to it, unless deemed appropriate by the supervisor because of an administrative error. For this reason, it is important that students are advised to ensure that it meets all formatting and submission requirements before they upload it.
